Congratulations! You have been chosen to participate in the 2018-19 SBHS Student of the Year Program. It is now time to prepare for the school level SOY interview. The school level winner will create a portfolio for use at the parish level and beyond.

I have attached a copy of the 2018-19 Louisiana SOY application. This **application** must typed and submitted to Ms. DeVeau by **November 16, 2018** in order to participate in the interview process. You must also submit a current 4 x 6 photo with the application. The application must be signed by a parent/guardian and student. Ms. DeVeau will provide copies each participant's high school transcript, first semester grades, scores on assessments, and any other pertinent academic test results at the time of the school interview. At this time you are **not** required to create a biological sketch (2 c. on application).

Once the application and photo are submitted, you will receive a copy of the **Leadership, Activities, and Recognition & Awards** forms to be typed and turned in by **December 10, 2018**. Please check to make sure all Leadership, Activities, and Recognition & Awards are listed as MOST RECENT FIRST.

The **school level SOY Interviews** will be held on **Wednesday, December 12, 2018**.

I'm very pleased that you are representing SBHS at the school level. Please let me know if you need help with anything.

Sincerely,

Tara DeVeau
SBHS JH Counselor
